

Greetings from Majors Ken and Connie Morris

As we approach another Thanksgiving and Christmas Season we are so thankful for many blessings. We thank God for his help in the past with the gift of His Son Jesus Christ. We thank God for the present, where He forgives us for our sins, and gives us daily strength and provision. We also thank Him for the many people that he has brought alongside The Salvation Army here

in Cape Fear, that enable us to help more and more people get back on their feet again on a daily basis. We pray that God will bless you and your family this Christmas Season. We pray that God will give all of us extra strength and wisdom as we approach the New Year. Merry Christmas and a very happy New Year to each of you!

Social Services Update

During the past two months, your donations enabled The Salvation Army of Cape Fear to serve over 7800 meals. Our North Second Street facility provided 1830 nights of shelter, while our social services team provided free clothing to those preparing for the cold months ahead. Thank you for partnering with us to serve those in need in our community.

"The Salvation Army has been a big help to me because I had no place to go. You all gave me hope and provided me with food and shelter. I enjoyed staying there and I made friends. The employees were very nice and helpful. They gave me vouchers when I needed clothes and a food box when I needed food and they helped me find an apartment! When I got my apartment, I also got a voucher to buy household supplies. The Life Skills program helped me a lot, and the Life Skills classes gave me a lot to think about and helped me stay positive and motivated."

- Stewart M., a recent Life Skills Graduate that moved into housing after completing our program.
